

# ANDRITZ ADuro U-3000X

Second-hand machine

The Universal-Shredder ADuro U-3000X is a single-shaft shredder with electric drive & hydraulic driven pusher. The innovative CoverCross knife system cuts material to the required particle size in one step. The input material is pressed by a hydraulic pusher against the rotor with screwable knives and knife holders. Screens made of carbon steel and hardox can be mounted in different sizes to gain output material in specific size.

Machine data	
Machine type	ADuro U-3000X
Tools	47 mm knives
L x W x H	5330 x 3170 x 2850 mm
Drive power	2 x 132 kW
Color	RAL 5015 / RAL 7021 / RAL 7035
Status	Second-Hand
Central lubrication	Yes
Year	2021
Operating hours	600
Included	Motor Control Center Input hood

Features
Easy access and fast changeable wear parts
Speed adjustment via variable frequency drive (VFD)
Innovative hydraulic system to control hydraulic pusher in a smart way
Service-hatch between pusher and rotor to get easy access
New modern Human Machine Interface and recipes for different input material
Highest standards of safety
No rotor cooling necessary

Subject to prior sale!  
Sold as seen - without guarantee  
All prices FCA Andritz Graz (Incoterms 2020), net, without taxes, customs etc.
